Dear **[Hiring Manager's Name]**,

Throughout the years of my professional work I've gained a lot of expertise in **[Career Field]**. I'm especially proud of **[Big Achievement or Milestone You Attained]** which was both challenging and fulfilling. It's one of the key reasons I'm applying for your **[Position Name]** position at **[Company Name]**. Your commitment and success in **[Key Company Goal or Mission]** is well known in the field and fits my passions.

I know from your ad that you're seeking a **[Position Name]** skilled in **[3 Key Skills They Want]**. I think these accomplishments will put me in the picture:

- **[Skill #1]. [Achievement #1 that Used a Skill they Need]**
- **[Skill #2]. [Achievement #2 that Used a Skill they Need]**
- **[Skill #3]. [Achievement #3 that Used a Skill they Need]**

I'd love to speak with you soon about how my **[2 More Skills They Need]** can help **[Company Name]** meet its goal of **[Quote from Company's Mission Statement]**.

Best Regards,
